Singapore, 26 April 2018 – Food&HotelAsia (FHA), the preferred choice for industry professionals to access an international showcase of food and hospitality products, equipment and solutions needed to drive business inspiration today and tomorrow, hosted His Excellency, Prime Minister of Vietnam, Mr. Nguyen Xuan Phuc, today.

H.E. Mr. Phuc visited the first Vietnam national food pavilion, stretches almost 200 sqm and features a range of their SMEs, including Mocos Vietnam, TH True Milk, Co May and Trung Nguyen Coffee.

Accompanying H.E. Mr. Phuc was Vietnam's Minister of Trade and Industry, Trần Tuấn Anh. In his speech at the trade show, Mr. Trần shared that Singapore is an important country in helping boost Vietnam's industry and trade sectors. With platforms like FHA, Vietnam can showcase their agricultural offerings – such as rice, coffee, cocoa, fruit and cashew nuts – on an international level.

Celebrating 40 years of business excellence, the four-day mega food and hospitality showcase has returned and is running from 24 to 27 April 2018 across two venues – Singapore Expo and Suntec Singapore.

The event is hosting its biggest ever industry congregation with 3,500 international exhibitors from 76 countries/regions, spanning vertical sectors from food & drink, foodservice and hospitality equipment to hospitality technology service providers.

FHA offers multiple experiential networking and learning opportunities through new and improved speciality zones and industry-renowned competitions. These include the FHA Culinary Challenge 2018, the Asian Pastry Cup 2018 and the inaugural Asian Gelato Cup.
